

Dear Parents/Carers,

Welcome back

We are very pleased to be welcoming our children and families back to school, and I am sure you are too!

We are open on September 7th at **8:20am - 8:45am**

Your child only needs a water bottle, coat, and if they have a Packed Lunch in a packed lunch box. No bags, pencil cases or items from home.

To keep our children and our adults safe there will be some very important changes which I am asking you all to help me with:

School drop off

1. Gates will be open from 8:20 am - 8:45 am. If you arrive early you will be queuing at your child's entrance. We hope that you will all arrive at different times to help ease the crowds.
2. There is no longer a breakfast club, if you require childcare please contact the school office to arrange a place.
3. Breakfast will be available in your child's building from 8:20 am - 8:45 am.
4. There are new gates. Please see the map for each year groups, but there will be plenty of signs and staff to support you outside.
5. You cannot be late - we will be closing the gates and entrances at 8:45 am. If you are late you will need to queue outside and wait for your child to be taken into their building.

Gates open

Gates close

Sanitizing

1. We have outdoor sanitizing stations for your child to use.
2. Teachers will be frequently asking children to wash / sanitize their hands.

Picture of sanitizing station

Bubbles

1. Children will be staying in their building as bubbles, they will not be mixing with any other children at playtimes and lunchtimes.

Pictures of buildings / labelled with year groups ?

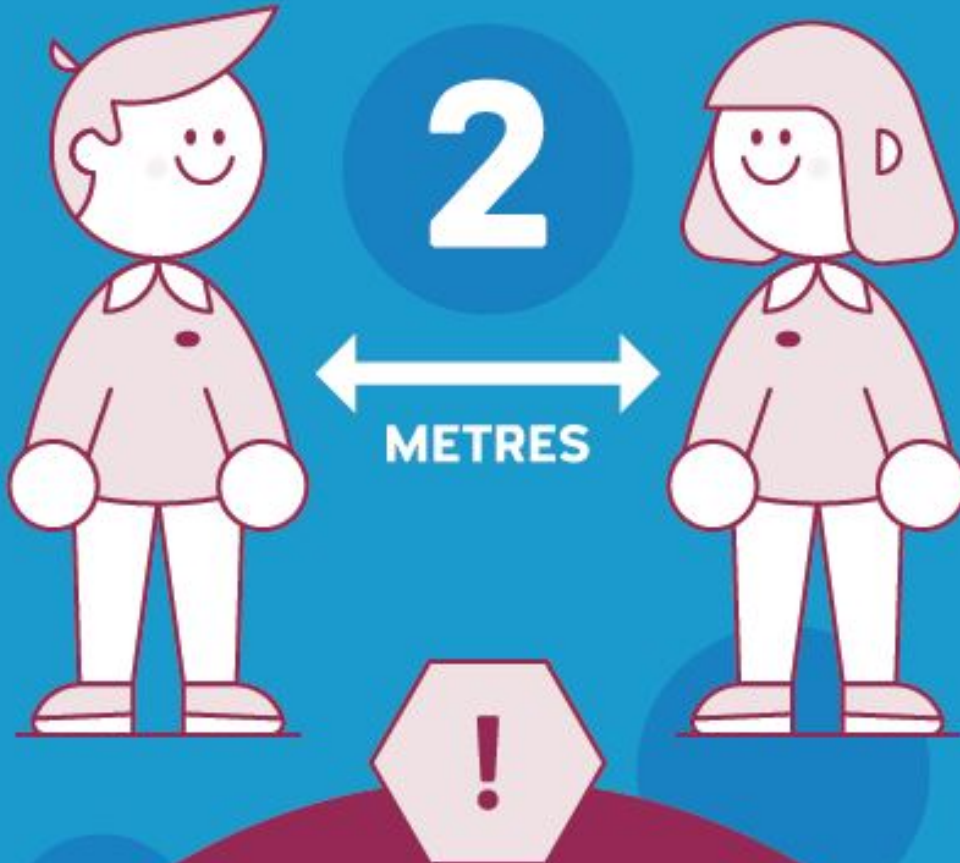

Facemasks and Personal Protection

1. It is not recommended that children wear face masks, but if this helps you to feel safe then your child is more than welcome to wear one.
2. Some adults in school will be wearing face masks and visors.

Social Distancing

1. Children do not need to social distance with other children, but they do need to social distance with adults.
2. Adults will be asked to social distance with each other.

To Stay Safe

**Please keep
your distance**

Parents on site

1. Parents can only access the school building if you have an appointment. This is a huge change, and we will be setting up an outside office for you, from 8:20 am - 9:00 am each morning and 2:30 pm - 3:00 pm but you can no longer just turn up to see us.

Collection

1. Our gates will be open from 2:45 pm - 3:15 pm.
2. You will be directed to year group collection points and asked to socially distance.

Gates Open

Gates close

3. There are no after school clubs, if you require care please contact the school office.

School week

Every **Wednesday** collection will be from **1:15pm - 1:30pm**. This will allow for a deep clean. If you require your child to remain in school, please contact the school office.

I know, as a parent, how worrying and anxious this time is, but we are all in this together and we must trust that we will keep each other safe. Every week, I will keep in touch letting you know how things are. I promise, myself and my team will put all protective measures in place.

Until next week, keep in touch if you need anything.

Best wishes,

Mrs Halliday
