19<sup>TH</sup> MAY 2023

Dear Parents,

It is wonderful to have a full week in school and see so many learning experiences happening. This week Year 6 have been involved in bike ability, learning how to ride a bike safely on the road. Some of our Year 4 girls took part in a cricket competition and came 4<sup>th</sup>!!

Our reception classes have visited Rodley Park, pond dipping and looking at lots of insects.

In Year 2 our teachers have been helping our children with their assessments and finding out how much they know and remember in Maths and English. Our year 1 teachers are busily preparing children for their phonics tests – thank you for all your support. Year 6 have been busy learning all about our lungs and heart and Year 5 have been finding out about staying healthy.

It has been a busy week! We have one more week until we have half term, there are no holiday clubs this half term, so that all staff can be fresh and rested for the second half term.
