

Dear Parents and carers,

### **Classroom open morning Tuesday 17<sup>th</sup> October**

Last week you will have received a curriculum newsletter from your child's teacher. This will show you the many great learning experiences we will be providing your child(ren) this term.

On Tuesday morning, from 8:30am, we have our termly open morning for you to come into class and see your child's work, speak with the teacher and take part in some activities. Each teacher will have prepared some useful information so that you can support your child at home. We will be promoting our home reading, a system which we would love all families to take part in.

Your child will be very excited about this special invitation and they love to share and show you their work, please do make the time to support. We will be offering a usual family service support and our Governors will be in classrooms too.

### **Parent Governor vacancy**

We have a parent Governor vacancy, details have been emailed out, if you are interested in being a Governor, our Governors will be on hand on Tuesday to ask some questions and find out more about this worthwhile role in school.

### **Emotional Wellbeing dog**

I am so giddy and excited to share that in the next weeks Jeffry, Leeds City College's emotional wellbeing dog will be joining us, he is well trained and supports staff and children with feeling calm. Thank you for your support. Mrs Halliday
